Access2EIC

National Contact Points for Innovation

Website: <https://access2eic.eu/>

Access2EIC is a 7-year coordination and support action which builds upon the foundations laid by previous EIC support networks and in line with the new Horizon Europe Framework Programme. It aims to:

- Identify and share good practices, promote trans-national cooperation and raise the general standard of support to programme applicants, taking into consideration the novelties under Horizon Europe, the third pillar “Innovative Europe” and the various stakeholders within the EIC-EIE.
